

Steering Advisory Committee Meeting

February 18, 2016 @ 10 AM

SUMMARY NOTES

Updates:

- Community Charrette will take place from March 7-10 at various locations in the sector plan area. Information is posted on the Planning Department website. SAC provided outreach materials and instructions on how to assist with outreach locally.
- Purple Line project press release by MTA is expected by March 2016. Stay tuned for additional details.
- Upcoming outreach newsletter will feature discussion about the charrette and purple line project. Stay tuned for release in the first week of March.

Opportunity Maps:

- a. Redevelopment Concepts:
 - i. Feasibility study needed for some sites.
 - ii. Consider shuttle service connections to light rail stations and identify best locations within neighborhoods.
- b. Revitalization Concepts:
 - i. Façade improvements recommended along Kenilworth corridor.
 - ii. Identify high priority areas in neighborhood (county revitalization – TNI, transit district neighborhood centers).
 - iii. Consider innovative approaches to commercial revitalization (i.e. nonprofit engagement; main street programs).

Miscellaneous:

- SAC discussed various community outreach assignments that would take place leading up to the community charrette.
- Charrette process, presentations and stakeholder interview process was discussed by staff with SAC.
- Additional engagement with major property owners needed.

Next Steps:

- SAC outreach to be conducted on community charrette.
- Send Purple Line TOD concepts to SAC.
- Identify mixed-use zones.
