

Ages 14-18

Wednesday, April 4, 2018

10:00 am - 2:30 pm

Watkins Nature Center

301 Watkins Park Drive, Upper Marlboro, MD 20774

Get your hands into some **green projects**!! You, the volunteer, will become an environmental scientist and an architect for the day as you explore ways to encourage community involvement in **Going Green**.

Teen Volunteers will be:

- Studying plant and animal cycles
- Exploring the Heat Island Effect
- Designing green buildings and building scale models
- Creating a PSA poster for community awareness

Check-in begins at **9:45am**.

Lunch will be served.

This opportunity is eligible for Student Service Learning hours with Prince George's County Public Schools.

Register online:

Go to www.pgparks.com. Scroll down and go to "Volunteers" at the bottom right of the page. Then, click "Search Volunteer Opportunities". Under the "Student Service Learning" tab, look for the **Going Green Project Assistant** listing and click to apply. **For more information, call the opportunity coordinator at (301) 249-7200.**

The Department of Parks and Recreation encourages and supports the participation of individuals with disabilities in classes and activities. Register at least a minimum of two weeks in advance of the program start date to request and receive a disability accommodation.
